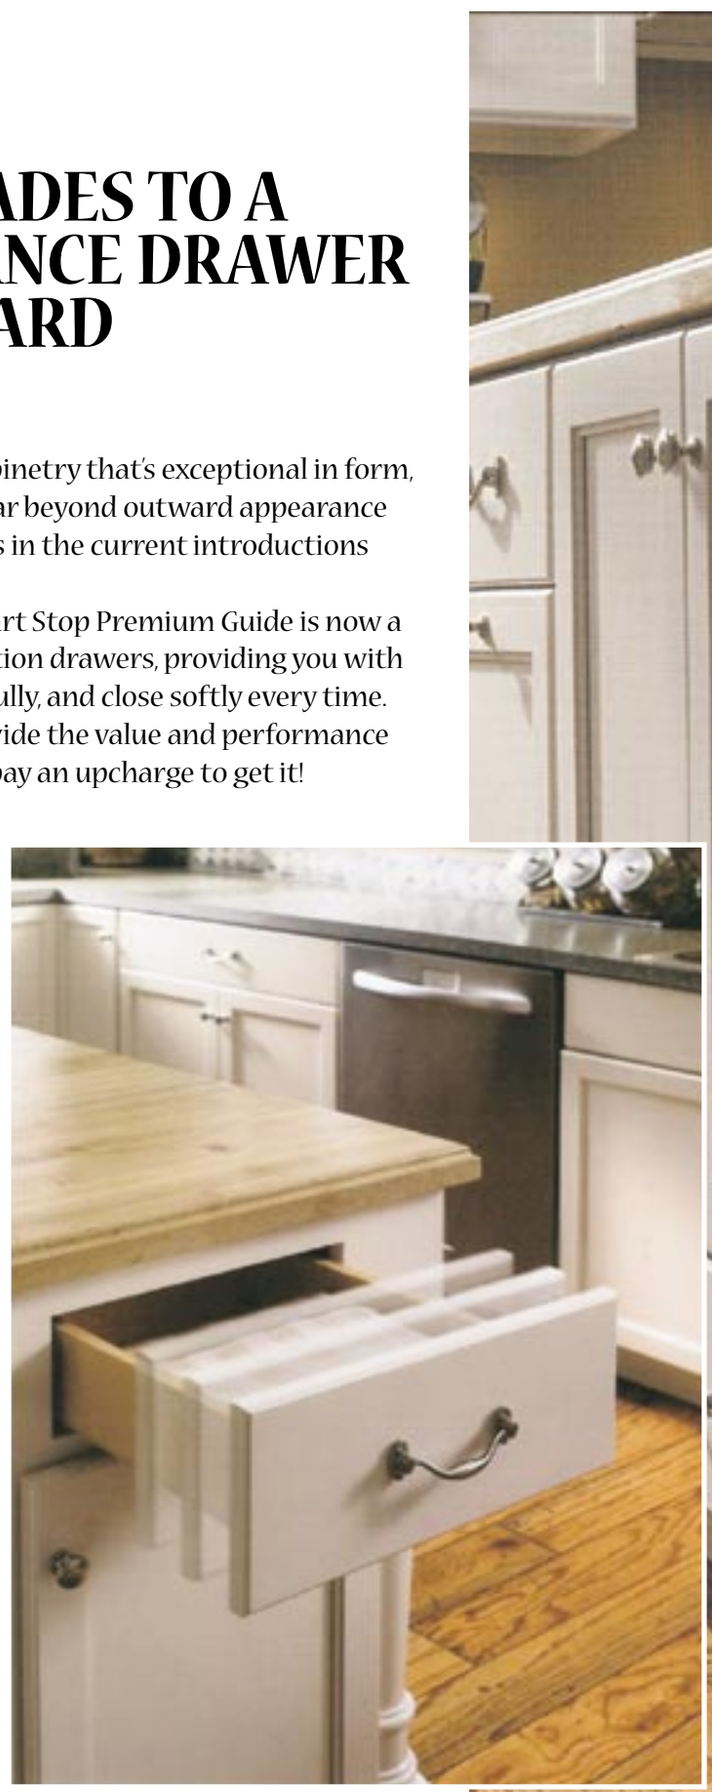
DIAMOND UPGRADES TO A HIGH PERFORMANCE DRAWER GUIDE AS STANDARD

The Innovation's Inside.™

With Diamond, you've come to expect cabinetry that's exceptional in form, finish and function. But our vision goes far beyond outward appearance and interior amenities. That effort shows in the current introductions you'll find inside.

We are excited to announce that the Smart Stop Premium Guide is now a standard feature on all Diamond Distinction drawers, providing you with drawers that operate smoothly, extend fully, and close softly every time. The Smart Stop Premium Guide will provide the value and performance you're looking for and you won't have to pay an upcharge to get it!

- Provides a premium drawer system while offering significant savings.
- Eliminates the need for the FX-full extension modification, Now making ordering easier.



5% OFF SALE
