Mont Vernon Historical Society Presents Portrait to House Speaker

CONCORD — The Mont Vernon Historical Society today presented a portrait to House Speaker William O'Brien (R-Mont Vernon) a photo, on loan, of the illustrious Purgatory Falls shot by Mont Vernon photographer Arthur Rounds.

Purgatory Falls is a rocky gorge on the boundary of Mont Vernon and Lyndeborough. It is a deep ravine more than a half a mile in length with three separate waterfalls through which Black Brook runs. Today the upper falls are protected by 30 acres of conservation land owned by the town of Mont Vernon. There is an established trail system frequently used for hiking, cross country skiing, snowshoeing and horseback riding.

"Many thanks to the Historical Society for loaning the House this piece to represent a cherished landmark of my district. I am pleased that this photo will hang in my office for my colleagues and the public to enjoy and that a piece of Mont Vernon will be represented as potential presidential candidates visit the House as we continue to promote and celebrate our first in the nation primary," said O'Brien.

In attendance was a group of Mont Vernon residents as well as the curator of the Mont Vernon Museum. The photograph will be displayed in O'Brien's office for the duration of his term as House Speaker.

Letters to the Editor

Thanks to Highway Dept.

To the editor:

As we all know, this has been a nasty winter. We would just like the gang at the town barn to know that we appreciate the great effort that they put forth in the past, and in particular, this winter. The roads have been plowed, sanded, and widened very well. The snow banks at the end of Lamson Rd. and Rt. 13 have been pushed back. My wife really thanks you. It's a challenge to get onto Rt. 13 safely, never mind with a mountain of snow blocking the line of sight. Sometimes, we take for granted and forget to thank the people who make our everyday lives much easier.

Thank you.

Willard "Bill" Archibald Candidate For MVVS Board

To the editor:

On Tuesday March 8, 2011 you will be voting for School Board Members and Town Officers. Your vote is very important and determines who will represent you for the next several years. I would like to take a moment of your time to introduce myself as a candidate for the 2 year term on the Mont Vernon Village School Board. My name is Willard "Bill" Archibald, Jr. and I grew up in Mont Vernon and have lived here for the past 25 years for a combined total of 50 years. I graduated from Milford High School and have a Bachelor of Science Degree in Business Administration from New England College as well as a Masters Degree in Business Administration from Rivier College. I have worked in industry as an accountant, controller and financial administrator for over 45 years.

This year I had the opportunity to chair the Mont Vernon Village School Budget Committee. I was most enlighten and satisfied to have served and gained insight as to how the Village School operates and its funding needs. As we all know education of our children is of the utmost importance. Mont Vernon is fortunate that the present Administration and Teaching Staff professes excellence and achieves that through the support of the tax payers and the School Board. However, economic times have been very hard on the tax payers. The schools through out New Hampshire and the country are taking a hard look at their spending and many are faced with extreme cuts. Local funding for Mont Vernon seems to be under control this year. However, State funding is in jeopardy and the loss of this funding has had a major impact on the tax rate. Every one knows that continued increases in education costs must be brought under control and with decreased State funding the matter becomes even more important.

Members of the School Board play an important role in forming the direction the Mont Vernon Village School will go. As a School Board member I will support continuing to maintain excellence in the Mont Vernon Village School. The next few years are going to be trying relative to funding. It should be noted that the current Teachers Union Contract is expiring in 2012. The School Board is going to be challenged to negotiate a new Contract that is fair to the Teachers as well as the Town for 2013 and future years. Our teachers are the most important resource in the school system and deserve to receive recognition, but at the same time economic times are straining the tax payer to the limit.

I feel that with my background and education that I can be a major contributor in maintaining excellence with reasonable funding in 2013.

I request your support in electing me to the Mont Vernon Village School Board on Tuesday, March 8, 2011.

Yours truly,
Willard Archibald, Jr.

Lady Falcons Basketball - Have A Championship Season

Lorri Hayes with daughter, Lauren Hayes MVP.

MONT VERNON - Fourteen girls comprised the Lady Falcons from Mont Vernon coached by Lesli Rendall and Milt Robinson. They played eight games in the Merrimack Basketball League before heading to tournament. While at tournament they won every game advancing to the championship round. On Saturday, February 12, the Lady Falcons played the team from Weare for the title. In a very close four quarter game, the Lady Falcons lost at the final minute by one point. Score was 20 to 21.

Lauren Hayes was awarded Most Valuable Player of the season by Coaches Rendall and Robinson.
